## COMMENTS:

Landry T. Ducote, II, is requesting a waiver for the late filing of his 2019 Annual PFD. Mr. Ducote stated he completed and saved his disclosure to his laptop, then submitted it, but the BOE never received it. He contacted the BOE and spoke to the Disclosure Director and provided her with all of the email addresses and fax number he might have used to submit the PFD. The Disclosure Director, then requested that the IT Department to investigate/track all addresses and numbers that he provided. The IT Department was unable to find a 2019 disclosure submitted Mr. Ducote. When he received the 2019 NOD, he thought it was in regards to his 2018 year, so he disregarded it, which know now was mistake and accepts that it was completely his fault. However, he asks the Ethics Board to consider waiving his late fee assessment.

To whom it may concern,

This letter is concerning my Tier 2.1 Annual Personal Financial Disclosure for the year 2019. I completed the financial disclosure and saved it on my laptop, which it is still there now. When I explained this to Mrs. Wimberley, she did ask the IT Department to investigate all the Email Addresses, and the Fax number that I may have possibly sent it by, and they were not able to find it. With this being said all you have is my word that I sent it. I did receive Certified letters from the Ethics Board, but I honestly thought they were being sent on behalf of my 2018 form which I explained in my first letter. I did not read each of the letters, and that is completely my fault. I know that it probably does not mean anything, but I did fill the form out, and I do still have a copy of it. I truly hope that the Board will take these two letters into consideration and reevaluate my fines and penalties. Thanks for taking time to read this letter.

Sincerely

Landry Ducote
